Please note: it is very rare that a book is damaged from any of the processes performed by Agents of S.L.A.B.S. (AOS), but there is the potential for it to happen, though we take as many precautions as possible to prevent damage from occurring. In submitting books to AOS, you acknowledge and accept the risk for the potential of damage, and that AOS and its owner or agents will not be held legally or monetarily responsible or liable for damage to any book caused by handling or processes performed on the book. However, your satisfaction is very important to us – if any damage does occur, we will in good faith try to find a resolution that will be satisfactory to you. Please also note that we cannot guarantee that a comic book will be graded higher on the comic book grading scale after undergoing our services.
